## PLUGGED IN

*A curation of the trendiest compact devices for those always on the move, like us!*

PRODUCED BY **PRATEEK JAIN** and **GAUTAM SETH**

## TUNE IT UP

Phantom is the best boom box that's out there. The sound that this sturdy speaker delivers is high on bass and has incredible clarity. Pair many of them together to really bring the house down!

## CROWNING GLORY

We all grew up knowing that blow-drying your hair regularly can lead to permanent damage. To prevent this, Dyson Supersonic hair dryer comes with temperature controls that leave your tresses looking like they're salon treated. Website [www.dyson.in](http://www.dyson.in)

## RIGHT ON TRACK

Garmin's products are for people who take fitness seriously. If you really want to record your multisport activities, Fenix 5 is one of the few sports watches that monitor your heart rate accurately.
